Smart Buildings Retrofit Accelerator

**“Making Housing
Energy Renovation an
Investment Opportunity”**

The Idea Behind...

Accelerate the energy renovation
Providing **borrowers** with an
optimal **energy renovation** and
financial solution, when buying a
property, before they move in.

**Develop an energy renovation
software for optimal retrofit
strategies**

Minimize **running costs**, increase
comfort and **health** of occupants.

...the Team

We are

Technical University of Denmark,
Chalmers University, University of
Copenhagen, Velux, Rockwool.

**Looking for consortium partners to
provide a fully tailored energy
renovation**

Industry, contractors, municipalities,
financing institutions, banks.

**Feasibility study: preparing a
house-buyers survey**

**Comparison of existing market
tools and software**

**Preliminary design of the software,
defining inputs and models behind**

**Create a consortium to
launch the project in a later stage**
